

MISIÓN PENIEL

Christmas Joy Toy Campaign

One of our favorite campaigns every year is providing children of the community of Immokalee the joy of Christmas with a special gift. Our goal this year is to be able to give 400 children ages birth to 10 years old a new toy. We are asking for a new toy worth about \$20 to \$25, unwrapped and in a gift bag.

**Churches or individuals that wish to participate:
