**A Farmworker Ministry
of Peace River Presbytery
Immokalee, Florida**

**A Christ-centered and
compassionate bridge
connecting migrant farmworkers
in Immokalee, Florida to faith
communities and the world.**

ABOUT US

Misión Peniel began as an extension of Beth-El Farmworker Ministries in 2006, with the simple gesture of hospitality, providing sweet bread and coffee to the farmworkers in Immokalee, Florida before the sun rose. Beth-El hired Pastor Miguel Estrada, from Guatemala, and it soon developed into a pastoral ministry providing food, clothing, fellowship and emergency support to farmworkers and their families. When economic constraints made it necessary for Beth-El Farmworker Ministries to sever its support of Misión Peniel, Peace River Presbytery formally established Misión Peniel as a mission of the presbytery in 2013. Today, Misión Peniel is sustained through volunteers donations, financial support from churches and most especially, through the love and prayers of churches of many faiths and hundreds of individuals.

We foster broad levels of participation for volunteers and community members. We strive for good stewardship, simplicity, and accountability.
