September 2025

Here's what has happened in the last month and what's to come!

Welcome to Mision Peniel newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community of Immokalee.

First, we would like to express our gratitude to all of our donors and volunteers who have continued to support us during these challenging times. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

In terms of our recent activities, we were able to distribute more than 450 backpacks filled with school supplies to children in our community. This program aims to help students start the year feeling prepared and supported.

We also continue serving more than 500 families every week, through Pan de Vida, Food Pantry and Home Delivery to some families. It includes nonperishable food, fresh produce, hygiene items, shoes, clothes, and diapers.

Finally, we want to remind everyone that our organization relies on the kindness and support of our community. If you are able to donate your time or resources, please do not hesitate to reach out to us.

Together, we can make a real difference in the lives of those who need it most. Thank you for your continued support!

Mèsi!

Because of your incredible generosity and support, we were able to distribute more than 450 backpacks to local students from VPK to 12th grade. We can make sure every student starts the year feeling ready and supported. This was more than a drive—it was a community coming together, and your kindness truly made a difference.

On behalf of the families and especially the children we serve, thank you again for your contribution and for being part of Mision Peniel.

With All Our Gratitude! ♡
